His-and-Hers Family (Harlequin Special Edition) by Helen Lacey This is the third book in the series and again it deals with a very emotional issue. I hope I don't give away too much of the plot in my review. In His and Hers Family we finally learn more about the baby that Fiona Walsh gave away at the tender age of 15.

His-and-hers Family by Helen Lacey Reviewed by Desere This was one of the sweetest romances ever. The love and compassion was simply beautiful. And so very well written by the author. It made me bawl my eyes out so bad, and that believe me only happens when a book is really good and I feel really connected to the characters.
