[the wealth of nations by adam smith 9781613820810](#)

But, as Andrew Skinner reveals in his introduction to this edition, the real sophistication of The Wealth of Nations lies less in individual areas of economic analysis than in its overall picture of a vast analytical system--a capitalist economy--in which all the parts can be seen simultaneously interacting with each other. In addition, Smith's view of society was not merely an economic one.
